| 18. Have you had a stinger, burner or pinched nerve?                                                                 | ___ | ___ |
| 19. Have you ever become ill from exercising in the heat? .....                                                      | ___ | ___ |
| 20. Have you had mononucleosis or any significant illness in the last 60 days? .....                                 | ___ | ___ |
| 21. Do you have trouble with your eyes/wear glasses?                                                                 | ___ | ___ |
| 22. Do you have trouble with your hearing/wear hearing aids? .....                                                   | ___ | ___ |

### General Medical History:

- |                                                                                                     | Yes | No  |
|-----------------------------------------------------------------------------------------------------|-----|-----|
| 23. Do you want to weigh more/less than you do now?                                                 | ___ | ___ |
| 24. Do you lose weight regularly to meet weight requirements for your sport or other reasons? ..... | ___ | ___ |
| 25. Do you feel stressed out, tired or depressed? .....                                             | ___ | ___ |
| 26. Are there any issues that you would like to discuss with the doctor? .....                      | ___ | ___ |
| 27. Are your immunizations up to date? .....                                                        | ___ | ___ |

### Females Only

- |                                                   |     |     |
|---------------------------------------------------|-----|-----|
| 28. Are your periods regular (every month)? ..... | ___ | ___ |
| 29. Are your periods heavy? .....                 | ___ | ___ |

### Cardiac History

- |                                                                                                |     |     |
|------------------------------------------------------------------------------------------------|-----|-----|
| 1. Have you ever passed out during or after exercise?                                          | ___ | ___ |
| 2. Have you ever been dizzy during or after exercise?                                          | ___ | ___ |
| 3. Have you ever had chest pains or chest pressure during or after exercise? .....             | ___ | ___ |
| 4. Do you tire easily or more quickly than your friends during exercise? .....                 | ___ | ___ |
| 5. Have you ever had racing of your heart or skipped heartbeats? .....                         | ___ | ___ |
| 6. Have you been told you had a heart murmur?                                                  | ___ | ___ |
| 7. Have you ever been told that you had an enlarged or weak heart? .....                       | ___ | ___ |
| 8. Has any member of your family:<br>Died of heart problems or sudden death before age 50? ... | ___ | ___ |
| Been told they had a serious heart problem before age 50?                                      | ___ | ___ |
| Been told they had Marfan Syndrome?.....                                                       | ___ | ___ |
| 9. Has a physician ever restricted your participation in sports? .....                         | ___ | ___ |

### Orthopedic History

- |                                                                                                                                 |     |     |
|---------------------------------------------------------------------------------------------------------------------------------|-----|-----|
| 1. Have you ever broken or fractured any bones? .....                                                                           | ___ | ___ |
| 2. Have you ever dislocated any joint? .....                                                                                    | ___ | ___ |
| 3. List any other problems with neck, spine, back, shoulders, elbows, wrists, hands, fingers, hips, knees, ankles, feet or toes |     |     |

*Explain "Yes" Answers on another page (put date of injury if known)*

### Parent's Permission & Acknowledgement of Risk for Son or Daughter to Participate in Athletics

As the parent or legal guardian of the above named student athlete, I give my permission for his/her participation in athletic events and the physical evaluation for that participation. I understand that this is simply a screening evaluation and not a substitute for regular health care. I also grant permission for treatment deemed necessary for a condition arising during participation in these events, including medical or surgical treatment that is recommended by a medical doctor. I grant permission to nurses, trainers, coaches, doctors or those under their direction who are part of the athletic injury prevention or treatment, to have access to necessary medical information. I know that the risk of injury to my child/ward comes with participation in sports and during travel to and from play and practice. My signature indicates that to the best of my knowledge, my answers to the above questions are complete and correct.
