

# **2010 SUMMER BEACH PROJECT**

## **INFORMATION SHEET**

---

### **What is the SBP?**

A Summer Beach Project is nine weeks of the summer in Panama City, living, playing, working and learning with other college students. Each student works a full time job during the day and participates in evangelistic outreaches, Bible studies, discipleship groups, ministry training, fellowship, and other activities during the week. This demanding and challenging schedule creates a perfect environment for students to grow in their relationship with Christ and develop ministry skills and leadership qualities.

### **What are the dates of the SBP?**

May 26th – July 24th

### **Why do the participants work?**

During Summer Beach Project, students work because it is an invaluable learning experience. The jobs are part of the summer program designed to teach responsibility, dependability and to expose students to the real world through a secular job. Campus Outreach has already made contacts with potential employers in the Panama City area and will assist students in finding summer jobs.

### **What else will we do?**

Besides working a job and being involved with project activities, students will be worshipping and working with area churches. This gives students an opportunity to learn and serve in the context of a local church.

### **What is the Housing Situation?**

All students attending the project from CO Charleston will live together in The Beach Tower Resort Motel in Panama City Beach, FL. Arrangements have already been made with this hotel.

### **What is the Cost?**

The cost of the SBP is \$1550. This includes rent and all project fees as well as the cost of some meals (at least one dinner per week) and other special events. Each student will work a full time job. Depending on the job, students could earn up to 80% of the cost of the project. Students may also raise support to cover the cost of the project. Details on how to raise money will be provided once a student has been accepted to the Summer Beach Project.

### **Who Sponsors the Project?**

Campus Outreach Charleston is an interdenominational ministry to college students that seeks to Glorify God by building laborers on the campus for the lost world. Campus Outreach Charleston is under the supervision of East Cooper Baptist Church in Mt. Pleasant, SC.
